

[Arduino] Referencia: Bucles

Bucle for

```
for (int i=0; i <= 100; i++){  
    // accion  
}
```

Bucle while

```
variable = 0;  
  
while(variable < 100){  
    // accion  
    variable++;  
}
```

Bucle do while

```
do {  
    //accion  
    variable++;  
} while (variable < 100);
```
