## CSS chat Youtube para OBS

Sacado de... Tutorial OBS de escenas: Como hacer que tu Streaming en OBS se vea profesional (minuto 17)

1. Creamos una nueva escena , por ejemplo con el nombre chat.
2. Abrimos el chat de Youtube en una ventana independiente y copiamos la dirección de esta.
3. Añadimos a la escena una nueva fuente de Navegador y pegamos la dirección anterior.
4. Ajustamos el tamaño de la ventana del chat y en CSS personalizado ponemos el siguiente código:
